Rangoon Police Agreement Pol

In the Hy Secretariat letter to the Secretariat Govt, dated the 7th March 1919, No 8723/115 the following proposals were made regarding the claims of those belonging to the Subordinate Police

I. That those of good character may be discharged with a refund of their subscriptions gratuity according to length of service, or that they be allowed the option of pension at 1/3rd per 10 years service and 1/2 pay for 20 years service considering the latter as about the period for which pension was granted.

II That subscribers who are fit for enlistment in the new Police be allowed to continue with a refund of part subscriptions if they prefer it. Their subscriptions carried to the new fund and the years allowed to reckon for pension of such subscribers towards a proportion pension in addition of the new fund

In addressing the Court, I will briefly suggest that, as an alternative in the case of Police cases of 30 Days Imprisonment, the Liability of Costs to be deemed inapplicable, on the ground that the Costs are often being returned by but worried, persons might obtain a Remission of the Costs of 31 Oct 66 & - March 67 the period "imprisonment" of 2/8 Months to Subordinate Officers of Police and Persons of the Class who have been summarily discharged from Employment after 30 Days Imprisonment under a new System -

It has been shown whether they did so voluntarily or under any Instructions or Threats from the

It is to be observed that the men last mentioned [illegible] 16 yrs men / have substituted since the Sept. Issued that the ent. of Quarterly allowed to the sailors recruit in 4 cases /. It is also to be observed that those battalion of the Pallah Police Sh.? get the same Proportion allotted they have taken? military, and as the Second battalion is to be abolished, I think the Govt may be moved to allow them a repeal of their salaries. They amt. to Rs 225. 14. only.

Should any supplemental be established & counted by Govt. no other repeal of salary will be needed, and after deducting Rs 225.14. from the amount of the Establishment of Rs 3,000 the repeal - the invested Capital the repeal - the surplus fund, the income may be distributed to Govt. all the pensions having been treated as public charges

To

The Secretary to the Commissioner
for the Government of the Territories
of H H the Rajah of Mysore

Sir,

I have the honor to transmit for
the Commissioner's consideration copy
of a communication received from
the Superintendent of Police on the sub-
ject of ~~conveyance~~ allowance, and
Gratuities to the worn out and inefficient
men of the Town and Cantonment
Police.

2. Captain Gompertz's suggestions
seem on the whole to be good, with
this exception, that Statement B II ap-
pears to me to shew an amount of weed-
ing out that can scarcely be necessary.
No less than 45 men out of so small a
force are declared to be inefficient and
unable to do the work required of them,
all

all being of less than 30 years service, and some evidently as yet quite young men, and this number is exclusive of those over 30 years recommended for Pension. The proportion appears very large, and the Amount of gratuity is certainly considerable.

3. I should have addressed the Superintendent of Police on this point, but that Officer seems anxious for instructions before the 31st Instant. I have therefore ~~thought it~~ better to send the letter and Enclosures on at once, for an Expression of the Commissioner's Sentiments.

I have the honor to be
Sir
Your most obedient Servant

Superintendent.

Bangalore District,
Police Superintendent's Office
Bangalore 22d May 1860

To
The Superintendent,
Nundidroog Division.

Sir,

Adverting to the instructions contained in paras 3 and 4 of letter No 594 from Secretary to Commissioner to your address copy of which was received with your memo. No 1224 of 21st Instant, I have the honor to forward herewith Nominal Rolls of men of the Old Pettah and Cantonment Police found unfit for transfer to the new Force, which has absorbed the bulk of the old Establishments.

2. The two Rolls marked A I and A II exhibit (A I for Pettah and A II. for Cantonment force) the men who being above 30 years service are entitled to compassionate pension under despatch of Secretary of State dated 22d January 1860 No 519*, they have as many be observed been (with the exception of one to ill to appear) duly

examined

*Copy of which is herewith forwarded.

examined by the Medical Officer. Those belonging to the Cantonment having subscribed to the Superannuation Fund as shown in the Roll. I trust that on reply being received from the Government of India on this subject, they can now be refunded to them, as the men of the Town who get the same pension have not been subject to any such deduction from their pay.

3. The Rolls marked B I and B II (B I. for town and B II for Cantonments) show the men who having served less than 30 years are considered by the Medical Officer and myself to be unfit for transfer. I beg to state that many of them, especially those of the town dispute the correctness of the Register of their service. A reference has been made to the D. Superintendents on the point on receipt of which errors in these Rolls can be corrected but it will be difficult to trace their Cases as they allege they have served in different

Establishments

Establishments such as Sayer, Old Jail, Obsolete Talookdge from which accurate records as to whether they had ever been dismissed or voluntarily resigned, thus breaking the continuousness of service would probably not be forthcoming. Many of them also admit they were first entertained at the age of 12 or earlier whereas service for pension counts only from the age of 22. The majority of these cases will therefore I think be fairly met by gratuity, a graduated pension being given on benefit of doubt to those who can prove they have served continuously 24 years and upwards (with repayment to the men of the Contribution force of their subscriptions to the Superannuation Fund on disposal of the latter by the Government of India)

4. Rolls marked CI and CII contain the names of men transferred to the new force in whose behalf I would solicit some recognition of their past service. The Superannuation Fund about to be

established

established under Act V of 1861 is like all such institutions, an assurance society granting a life annuity in proportion to the period and amount of subscriptions paid by its members, the rates of pension &c it will be able to afford shall be reported upon hereafter, but meanwhile it cannot possibly be expected to pension those men / some of whom will probably not last more than 7 years / on behalf of service performed before they subscribed to the fund, to do so were to repeat the error which caused the insolvency of the fund now being wound up. It seems hardly fair that while the services of others are being recognized those who are fit and willing to continue serving the Government should be passed over; I propose therefore (Subscriptions to old Superannuation Fund being refunded to men of Cantonment force) that all those above 7 years service should count the same,

yrs

viz, that when fit to be pensioned the
amount they may have subscribed to
the new fund being returned to Govern-
ment they may then be pensioned
from the Provincial Budget under
sanction of the despatch of the Secretary
of State before quoted. The men of
less than 7 years service receive an
common with the rest an increase
of salary and they are young enough
to earn a pension from the new fund.

5th With reference to the affairs of
the Superannuation Fund, I may
mention that it has lately come
my knowledge that the Duffadars
and some peons who are on the es-
tablishment of the Cantonment
Magistrate's Office were formerly in
the Cantonment Police and are still
muleted for subscriptions to the Fund
their connection with the Force has long
since ceased and it is anomalous
and illegal to permit outsiders over
whom

8

whom the Superintendent has no authority to continue on a Fund established for only members of the Force, I enclose a Nominal Roll (marked D) of these men showing the amounts they have paid and I request permission to repay the same to them at once and thus dispose of their claims and close their connection with the Fund, the amounts is trifling and can be paid at once.

6. Subscriptions to the old Superannuation Fund will be stopped and a separate Fund formed (as directed in the letter) from 1st Instant.

7. The men whose names are shown in Rolls A and B will also be discharged from the 31st Instant and I beg for early orders as to the disposal of their claims.

I have, &c.,

No. 455. London the 16th Dec. 1867.

To,

His Excellency the Right Honorable the Governor General of India in Council

Sir,

I have considered in Council your Financial Letter of the 1st October last No. 217 recommending that in lieu of gratuities at present allowed moderate compassionate allowances, not exceeding Rupees 4-0-0 per mensem, should be conferred upon all servants of Government in the inferior and ineligible grades, who may be thrown out of employment on reductions of Establishment after completing thirty years service.

2. I concur with your Government that servants

servants discharged from no fault of their own after completing so long a period of ~~en~~ Service as thirty years have a claim to ~~a~~ liberal treatment, and ~~I~~ therefore sanction the grant to them of Compassionate allowances as proposed by you.

Home Department Endorsement No. 241, dated 15th May 1867.
" " " 5326, " 10th October "
" " " 1502, " 18th December "

RESOLUTION.—The Governor General in Council observes that th reference cannot be fully disposed of except by orders which will be issue separately on the difficult subject of the Police Superannuation Funds i British India; meanwhile, however, the following orders are passed.

2. The thirty-nine men of good character, now worn out, who are unf for transfer to the new Police Force must needs be discharged. In no case do their period of service, as subscribers to a Police Superannuation Fund, excee 10¼ years, which period falls far short of the service qualifying for a pensio Their antecedent service, as non-subscribers to a Police Superannuation Fun does not count towards pension, but only towards a gratuity. The men shou accordingly be discharged wi gratuities on the scale noted on th margin, if the whole of the service as non-subscribers and a subscribers be reckoned, or upon any higher gratuity, reckoned on the perio of their service as subscribers to the old Superannuation Fund, which may b admissible under the rules of that Fund. The men being discharged f unfitness, and as being worn out, are not entitled to a refund of their subscri tions besides a gratuity, which latter in every case, will apparently exceed t amount of their subscriptions.

From 5 and under 10 years' service		3	months' pay.
" 10 and under 15 "	ditto	4	" "
" 15 and under 20 "	ditto	5	" "
" 20 and above		6	" "

3. Men who are transferred to the new Police Force will retain th privilege of counting towards pension their service as subscribers to the o Fund, and accordingly they should not be allowed a refund of their pa subscriptions.

4. The invested capital which it was proposed to expend in the refun that are shown to be unnecessary, is still available accordingly for meeting th payments to the existing 29 pensioners whose stipends amount to Rs. 101-6 monthly, and the disbursement of those stipends may continue according from that available fund, pending separate orders on Police Superannuati Funds.
